RETURNED GOODS POLICY AND PROCEDURE

Dear New Owner:

Welcome to the sailing family of Pearson Yachts! Your new Pearson yacht is built with the finest materials available in today's market. If the situation should ever occur that you must return a part manufactured by Pearson Yachts, we ask that you contact your dealer. He will handle the return and accompanying procedural paperwork. Should it be inconvenient for you to go to your dealer, you must contact Pearson Yachts prior to making any returns. We will, in turn, issue you the appropriate authorization. The copy of this authorization must be secured to the outside of the parcel which you are returning with the Pearson Yachts address side showing.

If the authorization is not outside the parcel, it will not be accepted and will be returned to you.

Your cooperation in adherence to this procedure will enable us to provide you with prompt and accurate service.

Pleasant Sailing!
